EMERGENCY
PETITION FOR A WRIT OF MANDAMUS

RECEIVED
SDNY PRO SE OFFICE
2012 JUN 20 P 2:02

NOW COMES, Jorge Anibal Torres, “the petitioner” a United States Citizen and resident of New York State, in *propria persona* and in *forma pauperis*, on behalf of his minor childrens and files this emergency petition for a writ of mandamus pursuant to 28 U.S.C. § 1361 and in support state the following:

1. The petitioner is the father of the following United States Citizens childrens:
 - Nathaniel Yossef Torres Ramirez born in Canada on March 6, 2005.
 - Mary Anne D. Torres Ramirez born in Puerto Rico, U.S.A. on November 26, 2001.
 - Yaakov Yisrael Torres Ramirez born in Dominican Republic on August 12, 2006.
 - Jackelyne Torres Ramirez born in Canada on August 10, 1997.
2. The petitioner’s wife Ana Ramirez is currently imprisoned at the Ilopango Woman’s Prison in El Salvador “Centro de Readaptacion para Mujeres de Ilopango” and the petitioner is

the sole parent available to these childrens and **has Temporary Custody** agreement between **husband and wife** signed on June 5th, 2012 by the petitioner's wife. See. Exhibit "A"

3. The petitioner retains all parental rights as secured by the Constitution and Laws of the United States and these rights has never been revoke by any Court in the United States or abroad.
4. There is no custody proceeding before any Court of Justice and ^{or} Custody pending at the time of the filing of this emergency petition and **custody is not an issue in this case.**

Synopsis of the facts

5. The petitioner was extradited to the United States from the Dominican Republic on September 13, 2010 to answer charges of "**alien smuggling**", before the Honorable William K. Session III sitting at the United States District Court for the District of Vermont, Docket Number 03-CR-54(1) for violation of 8 U.S.C. § 1324 pursuant to the treaty on extradition between the Dominican Republic and the United States, 36 Stat. 2468. At the time of surrender and pursuant to article IV of said treaty the United States agreed not to try the petitioner for any other offense and pursuant to Reinstatement (Third) of the Foreign Relations Laws of the United States § 477, not to extradite the petitioner to a third state. At the current time there is no extradition agreement between El Salvador and the United States and the petitioner retains his presumption of innocence for any un-tried as secured by the Constitution and Laws of the United States.
6. On June 14, 2011, the petitioner was sentenced to 17 months in Federal Prison and 3 years Supervised Release for violating 8 U.S.C. § 1324. It is a condition of the petitioner's release that **the petitioner shall support his dependents and meet other family responsibilities.** See. Exhibit "B".
7. After the petitioner's release on December 7, 2011 and beginning on or about February 2012 and thereafter, the petitioner has been requesting the United States Embassy in El

Salvador and the United States Department of State assistance in returning the petitioner's United States Citizen childrens to the United States from El Salvador and the respondent has intentionally, unlawfully and extra-judicially prevented the return of the petitioner's childrens to the United States **against the parents will** in violation of the Foreign Affairs Manual, the United States Constitution and International Laws.

8. On June 11, 2012, the petitioner purchased non-refundable plane tickets on Spirit Airlines with departure date scheduled for **June 28, 2012** from San Salvador to Ft. Lauderdale, Florida where the Petitioner was going to be awaiting for the at the International Terminal for his childrens. The petitioner further arranged and purchased the ticked for his arrival in Ft. Lauderdale on Spirit Airlines and for his father George Anibal Torres who is the paternal grandfather to arrive in El Salvador to temporarily escort these childrens on this 4 hours and 45 minutes flight as required by Spirit Airlines who do not accept unaccompanied minors under the age of 15. All this travel arrangement were made giving ample time twice the publicize one week processing time for the issuance of United States Passports by the U.S. Embassy in El Salvador. *see exhibit C D E F G H*
9. On June 13, 2012, the Salvadoran attorney William Alexander Ramirez Flores who is the attorney to the petitioner's wife, executed the will of these children's parents and applied for United States Passports in order to secure the return of these childrens who are Citizens of the United States of America and in order to give effect to the will of the petitioner's wife that the petitioner's childrens be returned to the custody and care of their father. The petitioner and his wife based in part their decision on the fact that the Petitioner's mother in law Ester Del Carmen Orellana **who is not an American citizen and who has no legal right or custody** and furthermore was physically abusing and manipulating these childrens because of her hatred towards the petitioner. In one instance on or about June 5, 2012, she physically assaulted the petitioner's daughter Jackelyne Torres Ramirez to the point of bruising her mouth, lips and face.

10. On or about June 13, 2012, consular officials at the United States Embassy without the parents consent interviewed the childrens maternal grandmother who has no legal rights to these childrens and without due process or giving the opportunity for the petitioner to respond in a fair hearing, sided with her. Due to her illegal intervention and the illegal actions by the United States Embassy, the passports are being delayed until the first week of July, 2012, which is well over 4 days from the original departure date of June 28, 2012, thus causing the petitioner to lose well over \$2,500 dollars of money that the petitioner received as a loan by clergy members of the Jewish and other religious communities in New York State.
11. On June 13, 2012, at about 2:00pm Salvadoran time, the petitioner contacted the United States Embassy in El Salvador and after hours of waiting reached an unknown Counsel or Vice-Counsel who besides lying, denied the petitioner's request that his childrens passport be issued in an expedited manner as the Department of States Foreign Affairs Manual states and as is commonly done for other United States Citizens under the same circumstances, thus creating discrimination, prejudice and bias against the petitioner in violation of the Constitution and Laws of the United States.
12. The petitioner alleges that the United States Embassy in El Salvador is overstepping their jurisdiction and boundaries in a family matter which is not the jurisdiction or the normal policies of the United States Department of State, actions which contravenes the Constitution of the United States, Internationally protected parental rights, and the non intervention in these kind of matters policies of the United States Government who has stated the following:

DIGEST OF UNITED STATES PRACTICE IN INTERNATIONAL LAW

YEAR 2000

David P. Stewart

Office of the Legal Adviser
United States Department of State

- The rights of parents are also recognized internationally and have long been a central premise of our consular work on behalf of Americans. It is a basic precept of our work **that the parents of American citizen children, not the Department of State of the United States Government, should decide what is best for their children.** *Paragraph 6 at page 118.*
- The United States is at the forefront in the provision of consular services to its citizens abroad and in its advocacy on behalf of parents seeking the return of their children to the United States. Because other countries carefully scrutinize the practices of the United States, our credibility and effectiveness depend upon our ability to adhere to the principles we espouse. If the United States fails to act in accordance with such principles, it jeopardizes its ability to insist on adherence by other countries. Consistency between principles and practice is particularly important in matters of foreign relations, where enforcement of rights so often depends upon reciprocity, diplomatic pressure and negotiations, and cooperation. These considerations are critical to the ability of the United States to obtain the return of children to the United States. *Paragraph 7 at page 119.*

UNITED STATES DEPARTMENT OF STATE FOREIGN AFFAIRS MANUAL VOL 7 – CONSULAR AFFAIRS 7 FAM 1761

- 7 FAM 1761.1 (b) The Department's position is that a U.S. citizen/national minor who is found in a foreign country without a parent or guardian **generally should be returned to the United States**, barring extenuating circumstances such as an extended family or appropriate safe haven organization in the host country. See the Digest of U.S. Practice in International Law, 2000, Declaration of April 6, 2000
- 7 FAM 1768.2 In most cases where the child is returning to family, post should encourage one or both parents to travel to post and escort the child back to the United States. If it is not possible for parents to travel to post for financial or other valid reasons, post should assist them in locating an escort if one is required. In those cases where an escort is not available or necessary, a consular officer should escort the child to the plane, and remain until the plane actually departs. Local authorities may also accompany. If circumstances warrant and there is a Privacy Act waiver, alert airline personnel to the child's situation as a runaway. Make certain that parent(s) or other reception authorities know exactly when the plane is due, and plan to meet it. You do not want the minor to disappear in transit.

13. The petitioner's childrens currently have no available parent or guardian in El Salvador.

14. The petitioner's alleges that the United States Embassy has turned that Honorable Mission in a non convenient forum to entertain this family matter which has been decided by the parents. Due to the actions of the Embassy, the petitioner's and the petitioner's childrens rights, immunities and privileges secured by the United States Constitutions and laws has been infringed.

15. The refusal to act and the delays caused by the United States Embassy in El Salvador are violating the non-discrimination laws of the United States because it creates difference amongst United States Citizens under the same circumstances.

THEREFORE, the petitioner humbly prays that this Honorable Court intervenes in this matter and issue and emergency writ of mandamus compelling the United States Department of State to cease its illegal activities against the petitioner and to cease discriminating and intervening in a matter for which the United States Department of State has no jurisdiction. The petitioner further request that this Honorable Court compels the United States Department of State to Issue the passport on an emergency basis due to the circumstances of these childrens and provide any other assistance as authorized by law that these childrens may need in returning back to their country of citizenship the United States of America. And further issues any other order or relief as the petitioner may be entitled to.

Respectfully Submitted,

PASSPORTS - GENERAL INFORMATION

Note: Effective Monday, July 19, 2010, an appointment will be required for Passport applications. Walk-ins will no longer be accepted. Appointments can be scheduled any business day with the exception of American and Salvadoran holidays and the first Wednesday of each month. To schedule an appointment click [here](#).

After scheduling your appointment please locate and complete the necessary forms at the following link:

- [Passport Instructions and Forms](#)

For emergency appointments only, please contact the American Citizens Services unit by phone at 2501-2628 during normal business hours.

The passport fees are as follows:

Consular Service	Fee
Passport Applicants Under Age 16	\$105.00
Applicants Applying for First Passport After Reaching Age 16	\$135.00
Adult (age 16 or over) Applying to Replace a Lost, Stolen, Mutilated or Damaged Passport	\$135.00
Adult Passport Renewals (most recent Passport issued within the last 15 years and when applicant was at least 16 years old)	\$110.00

Fees may be paid at the Consular Section in U.S. dollars either in cash or with one of the following credit cards: MasterCard, VISA, Discover/NOVUS, American Express, or Diner's Club. Payment by check or debit card is not accepted.

Please Note: Except in emergency circumstances, all U.S. passports are sent to the U.S. electronically for printing and are returned via express courier after one week.

The security of travel documents has become even more important in the post-Sept. 11 world. U.S. passports produced in the United States incorporate digitized photos and other security features. With the new procedures, the same security features are available for the protection of American citizens who obtain their passports outside the United States.

In El Salvador, applicants for first-time or replacement U.S. passports submit their applications to the American Citizen Services (ACS) unit of the Consular Section of the U.S. Embassy in San Salvador. We forward the approved applications electronically to the National Passport Center for processing and return. Turnaround is approximately one week.

To avoid delays or disruption in travel plans, passport applicants are urged to apply for new passports before the old documents expire, and to allow time for processing of a new passport.

The American Citizen Services unit continues to issue passports locally in emergency cases only. These passports have limited validity, and cannot be extended. The bearer of a limited validity passport issued overseas is required to exchange it for a full-validity photo-digitized passport upon completion of the emergency travel.

- **Applying for a Passport in the U.S.** (Please note the Embassy in San Salvador does not currently accept passport applications by mail.)

**UPS Internet Shipping: View/Print Label**

1. **Ensure there are no other shipping or tracking labels attached to your package.** Select the Print button on the print dialog box that appears. Note: If your browser does not support this function select Print from the File menu to print the label.
2. **Fold the printed sheet containing the label at the line so that the entire shipping label is visible.**  
**Place the label on a single side of the package and cover it completely with clear plastic shipping tape. Do not cover any seams or closures on the package with the label.** Place the label in a UPS Shipping Pouch. If you do not have a pouch, affix the folded label using clear plastic shipping tape over the entire label.
